in Centennial Hall
Refreshments will be served. RSVP 356.7238.

January 14 – *An Inconvenient Truth*

Even if you've already seen this important movie, come view it with the faith community. If you haven't seen it, this is a great opportunity!

January 21– *Restoring Nature*

David Thomas, Chief of the Illinois Natural History Survey
What affects has climate change had on nature?
How can nature be restored?

January 28 – *Trading Carbons*

John Braden, U of I Professor of Environmental Economics
How can trading carbon credits help bring about a reduction in carbon emissions?
How will the United States be involved?

February 4 – *Facing the Reality of Human-Induced Climate Change*

Don Wuebbles, U of I Executive Coordinator of the new School of Earth, Society and Environment
What roles does human activity play in climate change?
What are the potential impacts of climate change to us and our planet?

February 11– *Theological and Biblical Perspectives on Global Warming*

Chuck Carlson/Rick Snyder, Pastors, First Presbyterian Church
What does the Bible say about our role in caring for the earth?

February 18 – *What Can We Do?*

Environmental Stewardship Team, First Presbyterian Church
With all we've learned about climate change, how should we respond as a community of believers?
What can we do in our homes, churches, schools and workplaces?

Sponsored by the FPCC Christian Education Committee
